

ARE YOU UP FOR A CHALLENGE?

«Tele2 Shared Service Center» (Reg. No. 40003690571) is a company within the Tele2 AB group, based in Riga, Latvia, and currently responsible for providing Billing, IT & other services for Tele2 companies across Europe.

Transmission team operates in an intensive alarm environment. The work is often controlled by events in the network. Your role is to act on and manage alarm monitoring as well as prioritizing, analyzing alarms in the network. You are also responsible for troubleshooting in customer cases escalated to support teams. In addition, the group is responsible for coordination and review of maintenance work carried out on Tele2's network.

We are now looking for a new, eager to learn member to join **NOC Data** team as:

TRANSMISSION SPECIALIST

Your main tasks will be:

- ✓ Acts as a Knowledge Resource for RAN Specialist/Operator
- ✓ Perform 1st Level Monitoring and Troubleshooting tasks
- ✓ Acting as an Assistant for the 2nd Line Support/Engineer (Monitoring and Creating incidents from Alarms)

This role is meant for you, if you have:

- ✓ University degree in Technical field (you can be a final year student), degree in Telecom is an advantage
- ✓ Fluency in English, both verbal and written
- ✓ Strong personal drive and great desire for self-learning
- ✓ Ability to quickly master new information & rapidly handle stressful situations
- ✓ Accuracy and high sense of responsibility
- ✓ Ability to work in shifts

What we offer in return:

- ✓ An exciting & stimulating workplace with career opportunities in a stable, though fast growing company with more than 650 employees in Riga
- ✓ Salary that will drive & motivate you, together with continuous development
- ✓ Friendly, professional & ready-to-help colleagues in an international environment
- ✓ All social guarantees, health insurance, mobile phone & paid phone bills
- ✓ Living the Tele2 WAY – Quality, Open, Flexible, Cost Conscious, Action & Challenge

**Apply now sending your CV to tele2ssc@tele2.com
! Vacancy is open & valid while published here.**

If you don't receive an invitation to interview within two weeks after the deadline, you can consider that your application didn't qualify.
